[1935] THE AUSTIN ARMS HOTEL AND BUILDING COMPANY, LIMITED, DEBENTURES.	will receive consideration at the hands of the Directors, but this shall not affect the right of the Directors to accept any tender they may see fit. No tenders will be accepted below par. The Debentures will be issued bearing a face value of \$250 each made payable to bearer and carrying interest from the lat day of October, 1891, at the rate of 5½ per cent, per annum, payable half-yearly on the lat day of April and the let day of October at the Office of the Hongkong, or its branches, at the chircent rate of Exchange upon presentation of the Coupons attached to the debenture. The terms of subscription for each debenture are as follows:—\$5 per cent, on application and the balance on lat day of October, 1891. Where no allotment is made the actual amount paid will be returned in full without any deduction but without any interest, and where the number of debentures allotted is less than the number applied for the surplus will be credited in reduction of the amount payable on allotment and any excess returned. Failure to pay any instalment when due will render the allotment liable to cancellation and previous payments to forfeiture. The Debentures shall be redeemable at par in the amounts and at the times following, i.e.—\$100,000 thereof on 1st day of October, 1894. \$100,000 thereof on 1st day of October, 1894. \$100,000 thereof on 1st day of October, 1897. As to the remaining \$300,000 the Company may redeem the same at any one of the times and in any one of the modes following, namely—they may pay off the whole sum of \$300,000 on the 1st October, 1899, and \$150,000 on the 1st October, 1901, at their option. The numbers of such Debentures as will be paid off will be drawn for at the periods aforesaid, and public notice will be given of the day	THE Besiness of the above Bank is conducted by the HONGKONG AND SHANG HAI BANKING CORPORATION. Rules may be obtained on application. INTEREST on deposits is allowed at 3½ Pre Cent. per annum. Depositors may transfer at their option balances of \$100 or more to the Hongkong and Shanghai Bank to be placed on FIXED DEPOSIT at 4½ Pre Cent. per annum. E. R. Fuhrmann (Chairman), R. Brockelfore, is the largest which has ever been made for The President said he had great pleasure in The CHAIRMAN said:—Gentlemen, the report of them.no doubt will be it seems best to make the East, and is far too large to think of sending welcoming Mr. Woo Lin Yuen in their midst has been in your hands some days now, but the Chinese pay enough to make a lasting The two men-of-war now being built in France of expressing his regret, which he felt sure was last year the General Managers were informed will be fitted with similar Armstrongs before shared by all members of the Board, that Mr. at different times by the Manager in Borneo coming out. The Kokkai says that there is Wong Shing owing to age and other reasons, that a certain quantity of timber was strewn on Capital to new activity, and their tone towards great satisfaction in sending the Hashidate to found himself unable to continue any longer as the beach. Not only were the reports the Yemen has of late become much less MORTALITY STATISTICS.

The mortality statisties for the weeks ending the 8th and 15th August were is d on the table. With regard to a death from cholera amongst the military during the week ending the 15th at all, as the expenses for leading, discharging August Mr. Francis asked, in a minute, that the and storage in Hongkong would not be covered. Sentor Medical Officer might be communicated also what steps had been taken to disinfect, &c. Bay and your concessions there, we regret we has not more directly affected German subjects. t should also be asked why the Sanitary Superintendent had not been communicated with. The COLONIAL SURGEON said the Sanitary Superintendent had nothing to do with the military. He might mention, however, that the military had very stringent regulations with rega d to disinfection in such cases and there was no question that proper precautions would be taken. This case was a clitary case. There had been quite time enough elapsed for other cases to appear had the diseasa seen likely to spread. The PRESIDENT said, if they not d on Mr. Francis's minute, he understood the proper course would be to enquire of the Colonial Secre tary whether any particulars concerning the death had been received, and if so whether he would forward such to the Board.

This suggestion was agreed to. THE SAN TARY SUPERINTENDENT'S REPORT FUR JULY. The report of the Sanitary Superintendent for the month of July was hid upon the table. The report stated that the second special of this move there appears to be two very prowould have tried one separate action, the other cleansing for the current year ended on the nounced opinions. Before the terms of the actions to follow on that sait, but these suits had 4th July, when a considerable quantity reduction were made public, the idea was hailed eigners take in such large quantities. The war—as so-called humanitarians have falsely precisely the same subject in dispute, they of refuse was removed in the town and vilages. With more favour, especially by those persons would proceed on precisely the same grounds With regard to the villages especially there who happen to have a large overdraft at the yesterday. The following telegrams are from on which any one of them would proceed, so ld be no doubt that these special cleansings Bank and lieve been for some time accustomed our exchanges:did a great deal of good not only in the removal to see their dividends and a good deal more For would be raised against each one. The Banks of decaying matter and undergrowth from the absorbed by the interest with which they are neighbourhoods but also because they gave the debited quarterly. But when the new rates They had obtained judgment against the firm of prople a practical lesson in the advantages of were published this class found reason to oleanliness. Eight deaths were reported to have moderate their transports. The astute chief Barnett, the social reformer, warden of Toynberoccurred during the month from vomiting and manager of the great local corporation therein Hall, who has just returned from a four of the liffs were all in the position of having obtained purging. In each case-careful enquiries were announces that the 6 per cent rate is only chargjudgment against all parties of the firm made, but no information was elicited to indicate ed on loans against shares with full margin and purpose of gathering information of the actual jointly and separately, and the plaintiffs had that in any of the cases doubt had resulted from on advances against goods in neutral godowns: condition of the poor in various countries. It agreed between themselves that as the as-choleraic disease. On the contrary, although the old rate of 7 per cent will still be charged was a tour of inspection of the suffering and s ts available, would not be likely to sa. vomiting and parging had preceded death, still on current account overdraf s and on advances noverty of the world. Sums of the results of tisfy all the judgments in full, to proceed in none of the cases dit it appear to be anything gainst goods in private godowns. At the same his personal observations simply confirm the jointly and to divi a whatever was obtained pro approaching that violent character which is laid time the Bank reduces its interest on fixed state nents of the ordinary works of reference rata. He would point out that if one of the down as being numistakeably the characteristic deposits to 41 per caut per annum for sums up which could be consulted in any library.
